Bench Scales 7755, 7756, 7757

Ultra low profile platform featuring QUATTRO-TRONIC.

Our new fully electronic bench scales are ideal for any application that requires quick and reliable non-approved weighings. They are designed for simple operation, with one key only for tare, weighing, phrase totalising, checking and preparing orders.

Specifications

- Mains operation
Ratings 230 V, 50/60 Hz, 2.2 VA.
- Battery operating life: up to 350 hours with four 1.5 V Mignon batteries - with auto-off function.
- Dimensions (indicator housing):
W 250 x D 100 x H 50 mm.
- Taring: subtractive taring up to 100% of the weighing range
- Measuring cable: 2 m long.

Design

- QUATTRO-TRONIC: platform with four load cells.
- Weighing platform made of chrome-nickel steel or anthracite lacquered.
- Ultra low profile platform, only minimum effort is required to place the goods onto the scale.
- Base for model 7755 made of aluminium zinc alloy. Base for models 7756 and 7757 anthracite lacquered.
- Separate display unit: for remote mounting away from the platform so as not to be obscured when bulky items are placed on the scales.
- Display unit: housing made of impact-resistant plastic.

Included as standard

- Display unit with bracket suitable for wall and bench mounting
- Mains adaptor only, batteries not included
- Weighing platform
- Display stand (supplied with 7755 plus model)

Optional

- Display stand for models 7756 and 7757
- Battery charger incl. rechargeable batteries Battery operating life: approx. 200 hours. Order No. 2557.03.001

Order No. of scales with battery charger and rechargeable batteries always ends with ...002.

Type	Order No. Platform chrome-nickel steel	Order No. Platform lacquered	Weighing range (kg/lb)	Increments (g/lb)	Platform size W x D x H (mm)	Weight (kg)
 7755	7755.02.001	7755.12.001	15/33.1	5/0.01	310x275x35	approx. 3,4
	7755.03.001	7755.13.001	30/66.1	10/0.02		
	7755.05.001	7755.15.001	60/132.3	20/0.05		
 7755 PLUS	7755.32.001	/	15/33.1	5/0.01	310x275x35	approx. 8,1
	7755.33.001		30/66.1	10/0.02		
	7755.35.001		60/132.3	20/0.05		
 7756	7756.03.001	7756.13.001	30/66.1	10/0.02	520x400x70	approx. 14,8
	7756.05.001	7756.15.001	60/132.3	20/0.05		
	7756.10.001	7756.20.001	150/330.7	50/0.1		
 7757	7757.10.001	7757.30.001	150/330.7	50/0.1	660x545x85	approx. 38,0
	7757.20.001	7757.40.001	200/440.9	100/0.2
